Corrections:

The month of September has had a relatively few hiccups.

We have a volunteer who is willing to be the co-chair and will attend the CS meeting in November.

The district workshop went well. I believe there were 17 in attendance.

We potentially got another female volunteer from the workshop just waiting on her to formally reach out. On that note Lisa L has drummed up 4 other females who are interested and if all follow through we will have 12 female volunteers.

The male side is still currently at 7 volunteers with the same 6 waiting on the sidelines.

The Volunteer information document is ready to go to the website. Isaac will send it to Alec to upload.

When Isaac takes over in January, he will be exploring other activities for the corrections committee to do, IE, going into Halfway houses, etc. But only once we have full capacity for the weekly meetings. I will pass on the contact numbers to him.

We don’t know if it’s that the security requirements are more restrictive than pre-covid which makes additional programs more challenging or if their Director of programming just isn’t interested in taking on any new programs.

Our system of e-mail the intuition our monthly volunteer schedule and they in turn provide us with the dayrooms for each week looks great on paper but in reality, there seems to still be a disconnect on their side where the information is still not getting down to the evening shift guards. We are still being asked, what organization are you, what dayroom is supposed to come? Thankfully we are now able to tell them but a times it can still take up to 20 to 25 minutes to come back with anyone, cutting into our 1-hour time limit.

I think the corrections committee has got the best of the best when it comes to volunteers because without them none of this would be possible. Their dedication to service work ensures that we can continue to carry the message to the still suffering incarcerated alcoholic.

The Corrections Committee is looking for donations of AA literature and grapevines to bring into the Burnside jail. If your group has extra literature or is willing to purchase and donate to us or old grapevines, please contact: Corrections.AAHalifax@gmail.com

Please continue to mention at your home group meetings that the committee is always looking for male volunteers.

Yours in service,

David Triff

Help Email:

Hello Friends:

Traffic was a tad heavier in September with 25 emails arriving. Out of that only 10 were asking for A.A. help. Several were referred to CPC with the Disability Display Day and the rest were from the executive. There was one scam that made it through concerning sobriety books which I immediately forwarded to CS Chair and Literature. Thank you Heather for taking care of business. This sums up the email activity for September, 2026. Thank you for all each of you do for Central Service and AA as a whole.

HELP Email Coordinator

September was a slower month at the Bookstore. In total, we took in $631.50 in sales. Of that, $488.50 was through debit/credit and $143.00 was through cash.

We attended the Sackville AA Days on September 19 to sell literature to attendees. The turn out was great, and we were able to make some additional sales throughout the day.

Last month, we were asked by Heather to complete a full Cost of Inventory report. A full breakdown of our current inventory is listed below in this report to view, if interested, but here are a few quick numbers:

Main Books *(Big Books, 12&12, Daily Reflections - all*	$6641.56

variations)	
Supporting Books *(all other titles)*	$3459.77
Pamphlets	$4543.58
Total	$14644.91

We are aware that our current stock of literature is large. However, due to the uncertainty in the United States, we have erred on the side of caution and ordered more books, in the event that literature becomes difficult to get and or prices increase unexpectedly. As well, we just received our most recent literature order a few weeks ago, and we will not be placing another order until closer to the new year to replenish the stock for the new Literature Committee.

Yours in Service – Melissa E.

Foster asked Melissa to look at inventory over the last six months and report back on the cap for inventory coverage, which currently sits at $10,000, and whether the cap should be increased. Currently have over $14,000 in inventory on hand.

A summary of literature inventory was requested to take back to groups.

Heather C noted a workshop in Newfoundland is taking place and material was requested from PI. Binders were put together several years ago including ten years' worth of material. Michael noted material was passed down through previous executive positions.

Telephones: No report.

Heather C asked who transfers the phones. Paul responded that Ann is doing the switching of the phones and has been doing it for over six or eight years. Heather C noted that in the spirit of rotation, perhaps it is time to give another member the opportunity.

Treatment: Bridging the Gap request was received and the phone did not seem to be operational.

Heather C. reported that the Fresh Start group attended the homeless shelter meeting on September 23. She noted that there was no current information in the binder, only outdated sign-in sheets. Albert advised that he had previously received a request to review the binder's contents and would follow up on the matter. Heather also asked whether the homeless shelter meeting followed a Big Book study format or a general meeting format. Albert confirmed that it is conducted as an open discussion meeting.

Velma asked how many groups are currently participating in the Simpsons Landing detox meeting rotation. Albert advised that detox meeting coverage is presently sufficient; however, the homeless shelter could benefit from an additional group. The meeting is held every two weeks, and any new group joining the rotation would likely be scheduled approximately every two months. A minimum of two volunteers is required.

Foster requested that the Cole Harbour group be removed from the homeless shelter meeting rotation due to ongoing attendance challenges.

District 1:

Hello,

My work in the district this month has been mostly focused on our elections which were held last Wednesday. I was elected to serve the next term as DCM and Brianna C was elected as the next District One Treasurer. Some members have expressed interest in the secretary position and we continue to seek volunteers for the Alt DCM and Alt Treasurer posts.

We also continue to prepare for our Fall Assembly which will be held in Corner Brook on October 9-11. Travel arrangements from the airport to Corner Brook can be made with Victoria H. cbassembly@gmail.com.

Attendance at our District meetings has been stable. I'm happy to report that we had 13 eligible voters at our district election.

GSO has supplied a Frequently Asked Questions resource for our upcoming Fifth Edition Big Book. This can be viewed on the Area 82 website.

District Two

As usual, not much to report. We will be having our district 2 elections at our October meeting, on the 18th. We have someone willing to let their name stand for DCM and for Secretary, yet we will hold elections for all the executive positions.

Our next workshop is this month, on the 11th. That will be on Tradition 11. 11 on the 11th. An announcement is in the October newsletter.

The Area 82 Assembly and Roundup is this coming weekend in Cornerbrook. We have half a dozen or so GSRs planning to attend.

That's it for District 2 for now.

Good evening all!

As many know, we've Moved!!" Our new Hybrid address will be **185 Gary Martin Drive in Bedford**! We are very excited about our new place! Next to the BMO Sportscenter, we hope members find this central to where everyone lives! It has easy access off of Hwy 102. There's ample free parking, and amazing face to face unity. Don't forget, we are an inclusive hybrid meeting! So, if it's challenging to attend in person, the Zoom is available.

Continued Urgent Reminder - Our Central Service PO Box has officially been closed. Do not send checks to the PO Box. The new mailing address can be found on the Website's "contributions" Page.
