Committee Reports

Secretary Report

Sandy D sending out lots of emails. Still getting my feet wet in a new position but enjoying it. Doing my traditions service with Bernie. I offered for anyone to contact me with any questions they have and I will try to answer or find the answer.

Treasurer Report – Blair A. not the treasurer but as usual doing the work for us and keeping us up to date. Gave Bernie a letter on signing officers. Report given to us all

Alt DCM/Workshop Report

Amy was away but reported the last workshop tho storming went well. The next workshop with be on tradition 2 on April 13th

DCM Report

March 2025

I attended CERAASA Feb. 21 - 23rd. 1 GSR from the 17 groups in district 2 (Sunrise Group) and I was the only DCM in all of area 82 in attendance. Summarized with the pamphlets we must do better. This is our job but too late for this one so lets step up for the service meeting coming the end of May and the fall assembly in October. It was my 1st time at this assembly and it was informative and was represented by 10 areas Ontario, New

Brunswick, Quebec, Nova Scotia and PEI (Nfld Labrador not in attendance)
Lots of presentations and workshops were held.

I also attended the Active Committee meeting in Feb. The meeting was small so I am asking our GSRs to go back to their group and suggest if anyone is a member of these committee they should be attending to share what they and other committees are up to.

There are 2 websites at our disposal besides aahalifax.org there is also Area82aa.org. There is a wealth of information on both like the treasure and area officers etc.

I attended the Midwinter Roundup Feb 28-Mar 1. I was the co-chair as well as one of the welcome speakers. There was an estimated 450 members in attendance.

I was able to attend the Central service meeting on March 4th. The money we gave to Melanie for Corrections was well received it will be used for records checks as she could now buy more Big Books and literature. Also Paul M from Fall River (District 2) is now the phone chair.

I wasn't able to attend the Provincial Roundup committee meeting but I was able to connect with Mary W. the Treasurer and confirm she had received the \$1000.00 advance. I also gave her a personal donation of used grapevines.

Was going to ask for monies for the roundup and also for supplies I had purchased but now have the cheque in hand. Thank you

Finally the NS Service weekend the end of May. May 30 - June 1st will be held at the NS Agricultural College in Truro. Dorm room rentals will be available and I assumes like in other years \$60.00/night. (more info when I get it)

Also, importantly, moving forward any group that wishes to continue receiving the minutes of the district meeting will be required to have their group representative attend this district meeting to give their contact info to the Secretary. The reason for this is that some GSRs or group contacts are not attending the meeting but just giving the minutes at their own business meeting.

Yours in love and service

Bernie S.

DCM District 2

Area 82

Approval of Reports

Motion to approve the reports by Peggy seconded by Sandy. All in

favour. Motion passed.

Visitors with District Related Business – None

Old Business

1. Elections were conducted for District Treasurer.. No treasurer was elected.

New Business

1. Signing officers not yet done. Sandy and Amy will become signing officers and Bernie will remain as a signing officer. Blair will come off as a signing officer. Blair gave Bernie a letter for the bank.

Meeting closed with the AA Responsibility Statement.

Next meeting is April 27th

Meeting ended 2:30 pm.

Bernie S.
Acting Secretary
