## DCM Report

DCM Report

March 15, 2026

I did not attend the Area 82 Active Committee meeting in February. There was a storm that night and my connection was unstable.

I attended the midwinter roundup committee meeting on February 22nd. And the roundup itself was the following weekend. It was a success. There were 478 members in attendance. The panels were well organized and the speakers were all awesome. The food was great. Those of us on the committee or who served as volunteers all had a

great time and would highly recommend it to anyone wishing to get involved in service that this would be a great way. The wrap-up meeting for the committee is downstairs on March 22 and the startup meeting for the 2027 committee is April 26 at 1 pm at Club 24.

There will a workshop on Tradition Eight at Club 24 on April 12 at 2 pm. Amy will be out of town that day so I will conduct the workshop. I'll bring cookies.

I have worked it out with a sponcee of mine to attend the NS Service Weekend. We will only be there on Saturday, but I will require registration (\$40) and some money for the supper meal (\$20)

There is an item under New Business concerning the pre-Conference meeting to discuss agenda items for the 76th General Service Conference in New York which our delegate will be attending. This Conference will be held April 26 – May 2. The pre-conference meeting is on zoom at 893 105 7386. No password needed. Hope to see some of you there.

Our next meeting is the following Sunday on April 19th.

in love and service

## Central Service Report

We now have included the Declaration of Unity at the start of our monthly meetings.

Central Service voted to go ahead with hybrid meetings. We will start in May at the Keshen Goodman Public Library for the in-person location and those that want or need to continue on Zoom may do so.

Funding of \$600 was approved to support this year's AAs Got Talent show. We have no Ent chair, so Michael H, as co-chair of Central Service, will liaise with the show's committee.

The Central Service group inventory results will be presented on March 15th 12:30-2:30pm at Club 24. This will be a hybrid meeting and the results and summary of the surveys will be discussed.

As for the 4 committees:

Corrections has 6 volunteers all ready to have their paperwork submitted for approval to the Burnside jail. Dave is trying to get in touch with his contact there to set up an appointment to go drop those off. The rest of the volunteers have their personalized letter that they can bring to HRP or RCMP to get the discounted rate for a criminal check.

Treatment has gotten the homeless shelter meeting going. Every 2nd Tuesday at the Hfx Forum. If your group wants to help on this group rotation, or any of the others (Detox, Forensics or Marguerite Centre), contact Albert the Treatment chair.

CPC is getting started in their efforts and we look forward to hearing more about their activities over the next few months.

Thank you,

Michael H  
Co-chair
